PROFESSIONAL SUMMARY

Creative and detail-oriented UI/UX Designer with a strong interest in designing intuitive and engaging user experiences. Skilled in Figma, wireframing, and user journey mapping. Passionate about creating user-centered digital products that improve usability and visual appeal.

SKILLS

Design Tools : Figma

UI/UX Skills : Wireframing , Prototyping , User Journey Mapping , User Interface Design

Web Technologies : HTML , CSS

Other Tools : Git , MS Office

Project

Nike Air Max Product Landing Page

- Designed a modern product landing page using Figma for a Nike Air Max launch concept.
- Focused on visual hierarchy, clean typography, and responsive UI layout.
- Created high-fidelity UI components to improve product presentation and user engagement.

Mobile App User Journey Design

- Designed user flows and mobile app wireframes inspired by real-world applications.
- Built interactive prototypes in Figma to demonstrate app navigation and usability.
- Focused on improving user experience through intuitive navigation and task flow..

Glassmorphism Mobile Icons

- Designed a set of modern glassmorphism-style mobile UI icons.
- Applied color theory, shadows, and transparency effects to create visually appealing interface elements.

Portfolio Website

- Designed and developed a personal portfolio website to showcase UI/UX projects.
- Implemented responsive layouts using HTML and CSS.
